Part Exchange

We could be your cash buyer!

Part Exchange makes moving up to a new Orion home so easy. Rather than worry about trying to sell your current home, with Part Exchange we could buy it from you – meaning you could be in your new home within 6 weeks.

- We could be your cash buyer for your existing home
- We manage the marketing and selling of your current home
- You can plan your move with confidence - no worrying about selling your current home
- As soon as your new home is ready and the legal work is complete you can move in!

How Part Exchange could work for you

- Once you've chosen your perfect Orion home, speak to one of our Sales Advisors to check if Part Exchange is available as the scheme isn't available on every property. Your existing home should be worth no more than 75% of the purchase price of your new Orion home.
- They will then put you in touch with our recommended Independent Mortgage Advisor so you can discuss your mortgage requirements and the costs.
- Once you have paid your initial reservation fee, we will arrange for two independent valuations of your existing home.
- Orion Homes will then make you a realistic offer based on these valuations and the price the valuers believe your property would sell for.
- If this offer is acceptable, you pay the balance of the reservation fee and we will instruct solicitors, arrange for Chartered Surveyors to carry out a Homebuyers Report and place your existing home on the market.

Help to Buy

Get moving with only 5% deposit!

Help to Buy is a Government-backed scheme designed to help you get moving - whether you're a first time buyer or an existing homeowner. It is available on new homes up to £600,000 and can make buying so much more affordable.

- With Help to Buy, you only need a 5% deposit
- The Government will lend you 20% of the value of your new home via an equity loan, interest free for 5 years
- You will only need to secure a 75% mortgage, giving you access to competitive rates
- The Help to Buy equity loan can be repaid at any time or on the sale of your home

How Help to Buy could work for you

- Help to Buy is available on all new Orion homes – whether you are a first time buyer or existing homeowner.
- You can discuss everything with our Sales Advisor, and once you have chosen your perfect home they will put you in touch with our recommended Independent Mortgage Advisor, so you can discuss your Help to Buy mortgage requirements and the costs involved.
- Whilst the Government will provide you with the 20% equity loan, the home is 100% yours from day one.
- The equity loan is interest free for the first five years. From year six onwards a fee of 1.75% is payable on it – and this rises annually by the Retail Price Index inflation plus 1%.
- If you have an existing home to sell, Help to Buy can also be used with our Assured Sale scheme. Speak to one of our Sales Advisors to find out how they could both work for you.

Here's how Help to Buy could work on a new home worth £200,000

Assisted Sale

We'll help sell your current home!

If you're finding it difficult to sell your current home, then Assisted Sale from Orion Homes could be just the thing for you. The scheme lets you benefit from our sales and marketing expertise whilst enabling you to relax as we handle the whole process for you.

- We'll market your home at a realistic price to achieve a quick sale
- We'll even pay your Estate Agents fees!

How Assisted Sale could work for you

- Assisted Sale is available to all buyers – even if your existing property is worth more than your new Orion home.
- Once you have chosen your perfect Orion home and paid your initial reservation fee, our Sales Advisor will put you in touch with our recommended Independent Mortgage Advisor so you can discuss your mortgage requirements and the costs involved. At this stage we will also arrange for two independent valuations of your existing home.
- Orion Homes will then agree a marketing strategy based on these valuations and the realistic price the valuers believe your property will sell for.
- Once this is agreed we will arrange for your home to go on the market.
- Once your property is sold you should pay the balance of your reservation fee.
- Your Sales Advisor will handle the whole process and keep in touch with you throughout.
